

# Tent/Equipment Guide

**Pricing Guidelines:** Customer is responsible for a signed contract *and* a deposit to reserve equipment fully. Equipment pricing is based on the available inventory at all times and PER is not held responsible for notifying customers (with no deposit on file) if availability of equipment changes. PER accepts cash, checks, MasterCard, VISA and American Express charge cards. Payments made with charge cards are subject to a 2.5% convenience fee. Final payment is due before delivery of equipment or at the time of a customer pick-up.

**Delivery/Set-up Guidelines:** Pricing below does not reflect cost of delivery for equipment. Delivery charges will be quoted to customers individually based on drop off locations being easily accessible to delivery crews (i.e. first floor, load-in ramps, practical parking for larger equipment trucks, etc.). Deliveries may incur additional fees event times outside of normal PER business hours, same day deliveries, and/or strict time restraints.

Tent:	Seats:	Starting Price:	Water Barrels: (if needed)	Side Wall 4 Sides: (if needed)
